WHEREAS, as required by Wisconsin Statutes Section 66.1105(4m)(b)1. the JRB has reviewed the public record, planning documents, resolution passed by the Plan Commission, and the resolution passed by the Town Board; and

WHEREAS, the JRB has considered whether, and concluded that, the District meets the following criteria as required by Wisconsin Statutes Section 66.1105(4m)(c):

1. The development expected in the District would not occur without the use of tax increment financing.
2. The economic benefits of the District, as measured by increased employment, business and personal income and property value, are sufficient to compensate for the cost of the improvements.
3. The benefits of the proposal outweigh the anticipated tax increments to be paid by the owners of property in the overlying taxing districts.

NOW, THEREFORE, BE IT RESOLVED that the JRB approves the resolution passed by the Town Board approving an amendment to the District's Project Plan.

BE IT FURTHER RESOLVED that in the judgment of the JRB the development described in the Project Plan would not occur but for the amendment to the District's Project Plan, that the economic benefits of the District, as measured by increased employment, business and personal income and property value, are sufficient to compensate for the cost of the improvements, and that the benefits of the proposal outweigh the anticipated tax increments to be paid by the owners of property in the overlying taxing districts.

BE IT FURTHER RESOLVED that the JRB approves those Project Costs identified in the Project Plan that will be made for projects located outside of, but within a one-half mile radius of the District, pursuant to Wisconsin Statutes Section 66.1105(2)(f)1.n.
