LAW ENFORCEMENT

OATH OF HONOR

On my honor, I will never
betray my badge, my integrity,
my character or the public trust.

I will always have the courage to hold
myself and others accountable for our
actions.

I will always uphold the
constitution, my community, and the
agency I serve.

Item History: Pay Request #5 for the 2023 Water/Sewer Project has been submitted and reviewed by McMahon. McMahon recommends approval.

Recommended Action: Recommend approval of Pay Request #5 for 2023 Water/Sewer Project, to Superior Sewer and Water in the amount of \$109,474.69

April 2, 2024

Town of Lawrence
2400 Shady Court
De Pere, WI 54113

Re: Town of Lawrence
2023 Sanitary Sewer & Water Main Construction
Certificate for Payment #5
McM. No. L0017-09-23-00310

Enclosed herewith is Certificate for Payment #5 for the above referenced project. This Certificate is issued to Superior Sewer and Water, Inc. in the amount of \$109,474.69 for partial payment for work performed through March 29, 2024.

Please process the enclosed, and forward payment to Superior Sewer and Water, Inc. Should you have any questions, please contact our office at your convenience.

Respectfully,

McMahon Associates, Inc.

A handwritten signature in black ink, appearing to read "Matt Greely".

Matthew J. Greely, P.E.

TOWN OF LAWRENCE BOARD MEETING STAFF REPORT

REPORT TO: Dr. Lanny Tibaldo, Town Board Chairman, Town Board
REPORT FROM: Patrick Wetzels, Town Administrator
AGENDA ITEM: **Review of 2023 Stormwater MS4 Annual Report filed with WI DNR**

FISCAL IMPACT:

- | | |
|------------------------------|-----------|
| 1. Is there A Fiscal Impact? | <u>No</u> |
| 2. Is it Currently Budgeted? | No |

Item History

The Town's annual stormwater MS4 report is prepared and submitted to the DNR reporting site. As part of the submittal process, we have the Town Board review and sign off on approval. Please review the attached report.

Recommended Action By Town Board

Review and approval of the 2023 MS4 Annual Report submission to Wisconsin DNR.

Submittal of Annual Reports and Other Compliance Documents for Municipal Separate Storm Sewer System (MS4) Permits

NOTE: Missing or incomplete fields are highlighted at the bottom of each page. You may save, close and return to your draft permit as often as necessary to complete your application. After 120 days your draft is **deleted**.

--	--	--	--	--	--	--

Form 3400-224(R8/2021)

Reporting Information :

Will you be completing the Annual Report or other submittal type? ☒ Annual Report ☐ Other

Project Name: 2023 Annual Report

County: Brown

Municipality: Lawrence, Town

Permit Number: S050075

Facility Number: 31092

Reporting Year: 2023

Is this submittal also satisfying an Urban Nonpoint Source Grant funded deliverable? ☐ Yes ☒ No

Required Attachments and Supplemental Information

Please complete the contents of each tab to submit your MS4 permit compliance document. The information included in this checklist is necessary for a complete submittal. A complete and detailed submittal will help us review about your MS4 permit document. To help us make a decision in the shortest amount of time possible, the following information must be submitted:

Annual Report

- Review related web site and instructions for [Municipal storm water permit eReporting](#) [Exit Form]
- Complete all required fields on the annual report form and upload required attachments
- Attach the following other supporting documents as appropriate using the attachments tab above
 - Public Education and Outreach Annual Report Summary
 - Public Involvement and Participation Annual Report Summary
 - Illicit Discharge Detection and Elimination Annual Report Summary
 - Construction Site Pollution Control Annual Report Summary
 - Post-Construction Storm Water Management Annual Report Summary
 - Pollution Prevention Annual Report Summary
 - Leaf and Yard Waste Management
 - Municipal Facility (BMP) Inspection Report
 - Municipal Property SWPPP
 - Municipally Property Inspection Report
 - Winter Road Maintenance
 - Storm Sewer Map Annual Report Attachment
 - Storm Water Quality Management Annual Report Attachment

- TMDL Attachment
 - Storm Water Consortium/Group Report
 - Municipal Cooperation Attachment
 - Other Annual Report Attachment
- Attach the following permit compliance documents as appropriate using the attachments tab above
- Storm Water Management Program
 - Public Education and Outreach Program
 - Public Involvement and Participation Program
 - Illicit Discharge Detection and Elimination Program
 - Construction Site Pollutant Control Program
 - Post-Construction Storm Water Management Program
 - Pollution Prevention Program
 - Municipal Storm Water Management Facility (BMP) Inventory
 - Municipal Storm Water Management Facility (BMP) Inspection and Maintenance Plan
 - Total Maximum Daily Load documents (**If applicable, see permit for due dates.*)
 - TMDL Mapping*
 - TMDL Modeling*
 - TMDL Implementation Plan*
 - Fecal Coliform Screening Parameter *
 - Fecal Coliform Inventory and Map (*S050075-03 general permittees Appendix B B.5.2 – document due to the department by March 31, 2022*)
 - Fecal Coliform Source Elimination Plan (*S050075-03 general permittees Appendix B - document due to the department by October 31, 2023*)
- Sign and Submit form

Municipal Contact Information- Complete

Notice: Pursuant to s. NR 216.07(8), Wis. Adm. Code, an owner or operator of a Municipal Separate Storm Sewer System (MS4) is required to submit an annual report to the Department of Natural Resources (Department) by March 31 of each year to report on activities for the previous calendar year ("reporting year"). This form is being provided by the Department for the user's convenience for reporting on activities undertaken in each reporting year of the permit term. Personal information collected will be used for administrative purposes and may be provided to the extent required by Wisconsin's Open Records Law [ss. 19.31-19.39, Wis. Stats.].

Note: Compliance items must be submitted using the Attachments tab.

<input type="checkbox"/> Green infrastructure/low impact development	<input checked="" type="checkbox"/> Public Officials
<input type="checkbox"/> Other: <input type="text"/>	<input type="checkbox"/> Other: <input type="text"/>

- e. Will additional information/summary of these education events be attached to the annual report? ☐ Yes ☒ No

If no, please provide additional comment in the brief explanation box below. *Limit response to 250 characters and/or attach supplemental information on the attachments page.*

Town newsletter with stormwater info mailed to every property/owner in the Town, twice annually. Stormwater info shared on social media and with contractors, as well, typically from NEWSC.

Missing Information

Do not close your work until you **SAVE**.

Note: For the minimum control measures, you must fill out all questions in sections 1 through 7

Form 3400-224 (R8/2021)

Minimum Control Measures - Section 2 : Complete

2. Public Involvement and Participation

a. Permit Activities. Select all of the following topics the Permittee did to engage public participation and involvement.

Topics Covered	Target Audience	Estimated People Reached (Optional)	Regional Effort (Optional)
<input type="checkbox"/> MS4 Annual Report <input checked="" type="checkbox"/> Storm Water Management Program <input checked="" type="checkbox"/> Storm Water related ordinance <input type="checkbox"/> Other: <input type="text"/>	<input checked="" type="checkbox"/> General Public <input checked="" type="checkbox"/> Public Employees <input checked="" type="checkbox"/> Residents <input checked="" type="checkbox"/> Businesses <input checked="" type="checkbox"/> Contractors <input checked="" type="checkbox"/> Developers <input type="checkbox"/> Industries <input checked="" type="checkbox"/> Public Officials <input type="checkbox"/> Other	<u>101 +</u>	<input type="radio"/> Yes <input checked="" type="radio"/> No

b. Volunteer Activities. Select all of the following audiences targeted for volunteer involvement and participation related to storm water.

☐ NA (Individual Permittee)

Topics Covered	Target Audience	Estimated People Reached (Optional)	Regional Effort (Optional)
Volunteer Opportunity	<input checked="" type="checkbox"/> General Public <input type="checkbox"/> Public Employees <input type="checkbox"/> Residents <input type="checkbox"/> Businesses <input type="checkbox"/> Contractors <input type="checkbox"/> Developers <input type="checkbox"/> Industries <input type="checkbox"/> Public Officials <input type="checkbox"/> Other	<u>Select...</u>	<input type="radio"/> Yes <input checked="" type="radio"/> No

c. Brief explanation on Public Involvement and Participation reporting. *Limit response*

to 250 characters and/or attach supplemental information on the attachments page.

Review information with Town newsletters, with contractors and property owners on site specific jobs or projects, and at Town Board meetings related to budgets, MS4 report, etc.

Missing Information

Do not close your work until you SAVE.

Note: For the minimum control measures, you must fill out all questions in sections 1 through 7

Form 3400-224 (R8/2021)

Minimum Control Measures - Section 3 : Complete

3. Illicit Discharge Detection and Elimination

- a. How many total outfalls does the municipality have?

92
- b. How many outfalls did the municipality evaluate as part of their routine ongoing field screening program?

22
- c. From the municipality's routine screening, how many were confirmed illicit discharges?

0
- d. How many illicit discharge complaints did the municipality receive?

0
- e. From the complaints received, how many were confirmed illicit discharges?

0
- f. How many of the identified illicit discharges did the municipality eliminate in the reporting year (from both routine screening and complaints)?

0

(If the sum of 3.c. and 3.e. does not equal 3.f., please explain below.)

- g. What types of regulatory mechanisms does the municipality have available to compel compliance with this program? Check all that are available and how many times each were used in the reporting year.

- e. Brief explanation on Post-Construction Storm Water Management reporting . If marked 'Unsure' on any questions above, justify your reasoning. Limit your response to 250 characters and/or attach supplemental information on the attachments page.

Missing Information

Do not close your work until you **SAVE**.

Note: For the minimum control measures, you must fill out all questions in sections 1 through 7

Minimum Control Measures - Section 6 : Complete**6. Pollution Prevention**Storm Water Management Best Management Practice Inspections ☐ Not Applicable

- a. Enter the total number of municipally owned or operated (i.e., privately owned BMPs) structural storm water management best management practices.
- b. How many new municipally owned storm water management best management practices were installed in the reporting year?
- c. How many municipally owned (public) storm water management best management practices were inspected in the reporting year?
- d. What elements are looked at during inspections (250 character limit)?
- e. How many of these facilities required maintenance?
- f. Brief explanation on Storm Water Management Best Management Practice inspection reporting. *If you marked Unsure for any questions above, justify the reasoning. Limit response to 250 characters and/or attach supplemental information on the attachments page.*

Public Works Yards & Other Municipally Owned Properties that require a stormwater pollution prevention plan (SWPPP)* ☐ Not Applicable

- g. How many municipal properties require a SWPPP?
- h. How many inspections of municipal properties have been conducted in the reporting year?
- i. Have amendments to the SWPPPs been made?
☐ Yes ☒ No
- j. If yes, describe what changes have been made. Limit response to 250 characters and/or attach supplemental information on the attachment page:
- k. Brief explanation on Storm Water Pollution Prevention Plan reporting. *If you marked Unsure for any questions above, justify the reasoning. Limit response to 250 characters and/or attach supplemental information on the attachments page.*

* Any municipally owned property that has the potential to generate stormwater pollution should have a SWPPP. For example, if a municipal property stores compost piles, material storage, yard wastes, etc., outside and can contaminate stormwater runoff—a SWPPP is required.

Collection Services - Street Sweeping Program ☐ Not Applicable

- l. Did the municipality conduct street sweeping during the reporting year?
☒ Yes ☐ No
- m. If known, how many tons of material was removed?
- n. Does the municipality have a [low hazard exemption](#) for this material? ☐ Yes ☒ No
- o. If street sweeping is identified as a storm water best management practice in the pollutant loading analysis, was street cleaning completed at the assumed frequency?
☒ Yes - Explain frequency Twice annually, spring and fall
☐ No - Explain _____
☐ Not Applicable

Collection Services - *Catch Basin Sump Cleaning Program* ☐ Not Applicable

- p. Did the municipality conduct catch basin sump cleaning during the reporting year? ☐ Yes ☒ No
- q. How many catch basin sumps were cleaned in the reporting year?
- r. If known, how many tons of material was collected?
- s. Does the municipality have a low hazard exemption for this material? ☐ Yes ☒ No
- t. If catch basin sump cleaning is identified as a storm water best management practice in the pollutant loading analysis, was cleaning completed at the assumed frequency?
☐ Yes- Explain frequency _____
☐ No - Explain _____
☒ Not Applicable

Collection Services - *Leaf Collection Program* ☐ Not Applicable

- u. Does the municipality conduct curbside leaf collection? ☐ Yes ☒ No
- v. Does the municipality notify homeowners about pickup? ☐ Yes ☒ No
- w. Where are the residents directed to store the leaves for collection?
☐ Pile on terrace ☐ Pile in street ☐ Bags on terrace
☐ Other - Describe _____
- x. What is the frequency of collection?

- y. Is collection followed by street sweeping? ☐ Yes ☒ No
- z. Brief explanation on Collection Services reporting. *Limit response to 250 characters and/or attach supplemental information on the attachments page*

Winter Road Management ☐ Not Applicable

*Note: We are requesting information that goes beyond the reporting year, answer the best you can.

aa. How many lane-miles of roadway is the municipality responsible for doing snow and ice control? (*One mile of a two-way road equals two lane miles.*)

ab. Provide amount of de-icing products used by month last winter season?
Solids (tons) (ex. sand, or salt-sand)

Product	Oct	Nov	Dec	Jan	Feb	Mar
Salt	<input type="text" value="0"/>	<input type="text" value="50"/>	<input type="text" value="25"/>	<input type="text" value="120"/>	<input type="text" value="43"/>	<input type="text" value="10"/>

Liquids (gallons) (ex. brine)

Water Quality

a: Were there any known water quality improvements in the receiving waters to which the

municipality's storm sewer system directly discharges to?

☐ Yes ☒ No ☐ Unsure If Yes, explain below:

b: Were there any known water quality degradation in the receiving waters to which the municipality's storm sewer system directly discharges to?

☐ Yes ☒ No ☐ Unsure If Yes, explain below:

c: Have any of the receiving waters that the municipality discharges to been added to the impaired waters list during the reporting year?

☐ Yes ☒ No ☐ Unsure

d: Has the municipality evaluated their storm water practices to reduce the pollutants of concern?

☐ Yes ☒ No ☐ Unsure

Storm Water Quality Management

a. Has the municipality completed or updated modeling in the reporting year (relating to developed urban area performance standards of s. NR 151.13(2)(b)1., Wis. Adm. Code)? ☐ Yes ☒ No

b. If yes, enter percent reduction in the annual average mass discharging from the entire MS4 to surface waters of the state as compared to implementing no storm water management controls:

Total suspended solids (TSS)

Total phosphorus (TP)

Status of Total Maximum Daily Loads (TMDLs) Implementation

The permittee Lawrence, Town is subject to the following approved TMDLs: Lower Fox River Basin and Lower Green Bay

The permittee intends to comply with the following permit requirements to show progress towards meeting the TMDL:

[A.2] The Permittee requested and received department concurrence that the TMDL pollutant reductions is currently being met in all applicable reachsheds.

The permittee is confirming that they are maintaining all storm water management facilities, continuing street sweeping, and any other actions to continue maintenance of pollution control.

☒ Agree ☐ Disagree

Additional Information

Based on the municipality's storm water program evaluation, describe any proposed changes to the municipality's storm water program. *If your response exceeds the 250 character limit, attach supplemental information on the attachments page.*

Agenda Item Review

Meeting Date: 4/8/2024

Agenda Item#: 11

TOWN OF LAWRENCE BOARD MEETING STAFF REPORT

REPORT TO: Dr. Lanny Tibaldo, Town Board Chairman, Town Board
REPORT FROM: Patrick Wetzel, Town Administrator; Luke Pasterski, Fire Chief
AGENDA ITEM: **Review Proposed RFQ Process to Identify Fire Dept Space Needs Analysis Consultant**

FISCAL IMPACT:

1. Is there A Fiscal Impact? Yes
2. Is it Currently Budgeted? Yes- Fire Dept Capital Budget 2024

Item History: We've included budgeted funds in the 2024 Fire Department Capital Budget to apply towards a space needs analysis to be completed for the Fire Dept operations of the Town. In consultation with Fire Chief and Assistant Fire Chief, we've created the attached draft process to solicit proposals for a space needs consultant.

The proposed schedule for review is as follows:

04/15/2024 - RFQ Issued and Advertised on or before this date

05/15/2024 - Pre-proposal Building Tour and Site Visit for Potential Consultants
(Required)

05/22/2024 - All questions pertaining to the RFQ must be submitted to Town

05/29/2024 - Questions answered and issued to consultants in written form

06/06/2024 - Proposals Due

Additional Tasks:

To Be Determined - Oral interviews (in the event the Town requests interviews)

To Be Determined - Award to selected consultant

To Be Determined - Commencement of work

To Be Determined - Study completion

To Be Determined - Possible referendum for financing solution for future improvements

Recommended Action: Review and Consider Approval to Advertise the Draft Request for Qualifications document and schedule for Proposals for Fire Dept Space Needs Analysis

Request for Statements of Qualifications for

Lawrence Fire Department & Emergency Services Facility Review and Space Needs Analysis

The Town of Lawrence and Lawrence Fire Department are seeking statements of qualifications from professional consultants who may be interested in providing a **space needs analysis review** of the existing organization and operations of fire protection and emergency medical services being provided by the Lawrence Fire Department in the Town of Lawrence. It is the ultimate intent of this process to allow consultants to provide the Town of Lawrence and Lawrence Fire Department with a review of existing facilities and resources and develop recommendations that will help meet current needs of the community in the short term and to plan for continual growth of the community into the future.

Scope of Services -

- A. Review current planning documents with the Town of Lawrence and Lawrence Fire Department.
- B. Perform Fire Station space needs assessment study.
- C. Evaluate sites provided by Town for an optimal site to place 1) a Fire Station and 2) a combination Fire Station and Other Emergency Services Facility. Site evaluations shall include site-specific cost/benefit analyses, hazardous materials surveys, and applicable environmental assessments, i.e., potential wetland impacts, etc. Evaluate possible site(s) preferred by the Town.
- D. Evaluate current station locations to see if location(s) could be remodeled to meet current and future needs.
- E. Prepare a schematic design based on Fire Station needs assessment study which includes conceptual site plan, floor plans, and elevations for 1) a Fire Station and 2) combination Fire Station and Emergency Services
- F. Preparation of room data sheets for every space identified in the schematic design.
- G. After presenting multiple sites to the Department and Town for consideration and reviewing staff input, the consultant is to recommend an appropriate site to the Department and Town for review.
- H. Following review and approval of the proposed site by the Department and Town, A/E firm shall engage property owner in real estate purchase negotiations and shall ultimately assist in the purchase of said property at the direction of the Department and Town. (Optional)

I. Assist Department and Town in finding eligible design and construction grants, with grant application submittal, and grant administration.

J. Attend up to three public meetings and a final presentation with findings at Town meetings to support project.

K. A/E to provide estimated total construction project costs for all sites and building alternatives.

L. A/E to provide support for public engagement and referendum assistance if project goes to referendum.

Schedule of Activities:

04/15/2024 – RFQ Issued and Advertised

05/15/2024 - Pre-proposal Building Tour and Site Visit (Required)

05/22/2024 - All questions pertaining to the RFQ must be submitted to appropriate Project Director

05/29/2024 - Questions answered and issued to consultants

06/06/2024 - Proposals Due

To Be Determined - Oral interviews (in the event the Town requests interviews)

To Be Determined - Award to selected consultant

To Be Determined - Commencement of work

To Be Determined - Study completion

To Be Determined - Possible referendum

Required Components of Statement of Qualifications Submittals:

1. Identify the project team and their expertise/experience with such work efforts.
2. Provide the Town with a list of similar projects in scope and nature and three to five references.
3. Provide a timetable or schedule for this anticipated work effort. This project is intended to be completed in 2024.
4. Provide budget estimate(s) of cost to complete study. Experience and References are the primary method to determine successful consultant in this process. Estimated costs for scope of study are a secondary concern but will be considered as needed as part of a review in selecting consultant.

A final scope of work for this effort will be mutually determined once a consultant is selected.

A summary of the Lawrence Fire Department organization and operations is attached to this announcement. The Town of Lawrence contracts with the City of De Pere for ambulance service.

Consultants shall be provided with the opportunity to schedule and meet with the following to further discuss this work effort: Lawrence Fire Chief, Assistance Fire Chief and Town Administrator.

Deadline for submission of Statement of Qualifications is 2:00pm on Thursday June 6th, 2024

All submissions should be addressed to:

Town of Lawrence Space Needs Study

Attention: Patrick Wetzel, Town Administrator

2400 Shady Court

De Pere, WI 54115

Submissions may also be made via email to: patrickw@lawrencewi.gov

Questions concerning this Request for Statements of Qualifications or the ultimate project itself shall be directed to Town Administrator Patrick Wetzel at 920-336-9131 or patrickw@lawrencewi.gov.

The Town of Lawrence and Lawrence Fire Department reserve the right to accept or reject any proposal or submitted qualifications if such action is deemed in the best interest of either or both organizations.

Brief Summary Information for the Lawrence Fire Department

Mission

The Lawrence Fire Department, through its dedicated members, is committed to providing the highest level of public safety services for our community. We protect lives and property through fire suppression, emergency medical response, disaster management, fire prevention and public education.

Department

The Lawrence Fire department was established in 1956 and was originally located in a small two stall garage in unincorporated Little Rapids. Since then, we have grown into a well-respected and efficient department. In 2009, the Lawrence First Responders were formed. In 2022, the Lawrence First Responders became members of the Lawrence Fire Department.

In 2016 The Lawrence Fire Department entered into an auto aid agreement with several neighboring fire departments creating the Fox River Fire District. Fire Departments included in this auto aid agreement are De Pere, Ashwaubenon, Hobart, Ledgeview, Bellevue, and Lawrence. These departments assist each other with structure fires by simultaneously being paged to respond to each other's structure fire calls.

The Lawrence Fire Department is also a member of MABAS (Mutual Aid Box Alarm System) Division 112, which includes all fire departments in Brown County. Using MABAS, box cards are created to efficiently dispatch pre-determined resources for specific types of incidents. These incidents include structure fires, mass casualty incidents, water/ice rescue, brush fires, technical rescues, and hazardous materials incidents.

We currently operate seven apparatus out of two stations. One of the apparatuses is a command vehicle assigned to the duty chief.

- Station 1 is located at 2595 French Road and houses 4 apparatus.
- Station 2 is located at 1780 Crimson Court and houses 2 apparatus.

Our services include fire prevention, fire suppression, rescue, EMS, and public education.

The fire department meets a minimum of twice a month. Training consists of fire suppression, vehicle extrication, and EMS, just to name a few.

Firefighters/First Responders

The Lawrence Fire Department currently has 30 members.

- All the members are trained in CPR/AED.
- 29 members are trained in fire and rescue.
- 15 members are trained in EMS to the following levels:
 - 5 - Paramedics
 - 1 – Advance EMT
 - 5 - EMT-Basic
 - 4 – Emergency Medical Responder

We also have a Medical Director, who first responds to calls, as needed to support our staff.

These men and women attend hundreds of hours of training so they can bring these professional services to our residents.

Demographics

The Lawrence Fire Department protects about 16.1 square miles and approximately 6,700 residents of the Town of Lawrence, a small portion of Hobart, and the Fox River Fire District. Of the Town of Lawrence about 25% have fire hydrants, the rest do not.

Calls for service are shown below but have grown tremendously in recent years and are continually trending upwards.

Calls for service

In 2023, the Lawrence First Responders combined with the Lawrence Fire Department to become one department. With this consolidation, our reports show a significant increase in service calls. Our fire/EMS calls are documented under the same records management program. This along with an increased effort to respond to EMS calls resulted in an increased call for service numbers for 2023 and going forward.

Major call types of 2023
